# The (not so) fingerprint

1 Like all major car hire companies, Drifter uses a credit card procedure known as pre-authorization to block the excess or security deposit amount for your rental on your credit card.

2 The amount blocked on your credit card through the pre-authorization procedure is there to cover for any damage made to the vehicle (excess) or for any traffic fines, contraventions, missing fuel, etc...

3 Drifter operates on a same to same fuel policy. Please ensure that the fuel level is correct before returning the vehicle to avoid an administrative charge of €20 (+VAT) over and above the cost of the missing fuel.

4 To protect your interest (and ours), we use video/image recording software when inspecting the vehicle on delivery as well as on collection. You will be sent copies of the video and/or images to your email address. We include the fuel level in the email for your reference.

5 A compulsory credit card security deposit of €105 is placed on the credit card of hirers who have opted for an excess waiver. This is to cover for any traffic fines, contraventions, missing fuel, etc...

## Young & Senior Drivers

Drivers aged between 21-24 & 70-75 years of age must pay a Young/Senior supplement of €10 daily. The excess for young and senior drivers is €595. Drifter does not rent out vehicles to individuals under 21 & over 75 years of age.

## Excess Reducer

As outlined in the Young and Senior Driver section above, Young and Senior drivers can only have their excess reduced; not waived. For MDAR, MDMR, EDMR, EDAR & NMAX models (the only vehicles which Young and Senior drivers are eligible to drive), the excess can be reduced from €595 to €295 against payment of an Excess Reducer. This can be purchased at the daily rate of €10 daily (minimum charge: €50).

## Extras & Fees <sup>+</sup>

- Child Seats: Baby Carrier: €10 daily; Baby Seat: €7 daily; Booster Cushion €5 daily; High Back Booster Seat €7 daily.
- Delivery and collection fee (incl. meet and greet at airport on arrival): €15 per way. For delivery and collection to/from other locations, please consult your reservation agent.
- Tyre and Glass Insurance €5 daily; minimum charge: €25.
- Fees/Penalties (over and above cost of CVA fees / fines / missing fuel): Missing Fuel: €20 (+VAT), CVA admin fee €20 (+VAT), Fine Admin Fee: €20 (+VAT).
- Extra driver charge: €5 per driver.

<sup>+</sup> All optional extras subject to availability

## Excess Waiver\*

The excess on any model may be waived upon the purchase of an excess waiver. This reduces the excess displayed on the front of this price list to €0. Excess waivers may only be purchased by drivers aged between 25 & 69 years of age. Drivers must ensure Maltese accident procedure is adhered to - the filing of a police or warden report and submission of a claim form are requisites. Tyre and glass damage is not covered by the excess waiver.

## Excess Waiver by Car Type

The daily rate for excess waiver is as follows: MDMR, MDAR, EDMR, EDAR, NMAX: €10 per day (minimum charge: €50); CDMR, CWMR, CWAR, CDAR, €15 per day (minimum charge: €75); FVMR & FVAR models: €20 per day (minimum charge: €100).
